

# Progress on Art. 6 – Moving towards implementation

EU PAVILION - ROOM VIENNA

SATURDAY 8<sup>th</sup> DECEMBER 2018

18:30-20:00

The side event discusses critical aspects that should be addressed by future Article 6 activities, including upscaling to programmatic and policy-based crediting approaches, ambition raising under the Article 6.4 Mechanism, the operationalization of safeguards for environmental integrity and additionality.
